Excellent. I gave Gina a couple of hardcopy of a couple of typos that I found in the multiyear writeup.

I am going to forward this a little more widely in NCEA....I'll leave you off.

Hi Vince,

Following up from the IRIS briefing on June 24, Tom has the following recommendations for the IRIS Multi-Year Agenda.

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Tom would like to fill the Administrator in on these plans. After you make these changes to the document, please put together a concise summary of the multi-year agenda, with the main points highlighted in bullets (suggest aiming for a half page in plain language).

For the draft document on whether to conduct additional external peer review, **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

Please let me know if you have any questions.
